2020 Campership Assistance Program

MISSION & PURPOSE

Each summer, Camps Chestnut Ridge, Don Lee and Rockfish provide exciting camp experiences where children and youth build relationships in Christian fellowship and fun! The purpose of the Campership Assistance Program is to provide the camp experience to as many campers as possible. The Campership Assistance Program provides financial support to those who otherwise would not be able to attend summer camp.

CAMPERSHIP APPLICATION PROTOCOL

The Campership Assistance Program is a 3-dimensional partnership between the local churches and other community support agencies, the NC United Methodist Camp & Retreat Ministries and families of campers. When local churches or community agencies provide financial assistance to families, NC UM Camp & Retreat Ministries provides matching funds. Camperships are based on financial need and unusual family hardship and are considered on a case-by-case basis.

Steps to attaining financial assistance are as follows:

- Complete a camp application for Chestnut Ridge, Don Lee or Rockfish.
- Request a Campership Application from preferred camp.
- Contact a local UMC Church, other denominational church or a local support agency to seek possible financial support with the Campership need. If you are not a member of a local church, request assistance. We'll help you locate one.
- Return Campership Assistance Application with secured funding from local church or support agency to preferred camp. Attach to camp application form. (ALL Checks should be made payable to preferred camp.)
- The Campership Application will be reviewed by the camps, and parents will be notified of the availability of Campership Funds.
- Camper Parents/Guardians provide balance of camp registration fees.
